*The God Who Draws Near*

JOURNAL 4  
PSALM 53 - JEREMIAH 24

# One Story: The God Who Draws Near

The Bible is not a collection of unrelated stories or disconnected teachings. It is one unfolding story—the story of the God who creates, pursues, redeems, and dwells with His people. From Genesis to Revelation, Scripture reveals a faithful God who continually draws near, even when His people drift away. This journal invites you to step into that story with us.

Together, as Fellowship Bible Church, we are embarking on a two-year journey through the entire Bible—from Genesis to Revelation. Our prayer is not simply that we would read more Scripture, but that Scripture would shape us more deeply. Six days each week, you will be guided through carefully selected passages, with space provided to record insights from the text and to reflect on how God’s Word is calling you to grow, repent, believe, and obey. This is not about checking boxes, but about cultivating attentiveness to the voice of God.

Each Sunday, we will gather to worship and sit under the preached Word, drawing from passages that were read during the previous week. This journal includes space to take notes from each sermon, helping you connect personal Bible reading with corporate worship and teaching. Our hope is that God’s Word will be woven into the rhythm of everyday life—read privately, discussed in community, and proclaimed publicly.

May this journey deepen your understanding of Scripture, strengthen your love for Christ, and remind you again and again of this truth: we are part of one great story—the story of the God who draws near.

# How to Get the Most from Your Daily Bible Reading

## STUDY THE WORD FOR DISCOVERY

- **Pray Humbly.** Start your Bible reading with prayer, ask God to reveal truths you can both learn and practice (Psa. 119:18).
- **Read Consistently.** As each day's discoveries will build upon the prior reading, maintaining a daily pattern is essential. (Pro. 8:17).
- **Observe Carefully.** Pay attention as you're reading. Look for words or ideas that are repeated. Notice the responses of Biblical characters when they face situations like your own (Ps. 119:15).
- **Interpret Contextually.** Notice the verses that surround the passage. A study Bible will be helpful (Mk 12:24).
- **Study Diligently.** Give your best effort to your time with the Lord. Remove any unnecessary distractions (2 Tim. 2:15).

## APPLY THE WORD FOR CHANGE

- **How does my thinking need to change?** The Bible helps us “discern the thoughts and intentions of the heart” (Heb. 4:12). As you read, conform your thinking to what the Bible says about your relationship with God and others. Think carefully about what the Bible defines as wrong living and right living. Throughout the day, “think on these things” (Phil. 4:8).
- **Is my attitude in need of correction?** We are encouraged to have the same servant attitude as Jesus (Phil. 2:5). As you read, pay attention to the various Bible characters. Do they exhibit Godly attitudes or ungodly ones? How might you adjust your attitude to be more like Jesus?
- **Do my actions glorify God?** Daily reflection on the Gospel serves as a reminder that “you were bought with a price. So glorify God in your body” (1 Cor. 6:20).
- **Are my words as they should be?** Your words reveal what you desire the most. Don't simply change your speech. Ask yourself what your words reveal about your desires.
